- Pattern of a word:
  - Word: "see"
  - Why this word is interesting: This short story is about a new governess who is taking care of a boy, Miles, and a girl, Flora. She always believes that she can see the ghosts of the dead people in the house she works at. Moreover, she believes one of the ghosts is controlling the boy. However, the children and other people in the house do not see any ghosts and do not believe her. In the end, the girl is sent away and the governess drives the boy mad and he died.
  - Pattern: [0, 4, 4, 3, 8, 5, 4, 6, 4, 6, 2, 6, 4, 3, 1, 7, 0, 4, 1, 0, 2, 9, 11, 2, 2, 3]
  - As the story goes on into the later chapters, the governess argues with people around her that she did see ghosts. Therefore, the number of occurence of this word increases in the later part of the short story.
